

**FEBRUARY 2024**

# **P.S. 130 SEL NEWSLETTER**

**In February, P.S. 130 Celebrated Respect for All Week. We kicked off the celebration with the introduction of our Peer Mediation Program. Our Peer Mediators are hard at work during recess helping their classmates resolve disagreements peacefully.**

## **RESPECT FOR ALL WEEK**

**During Respect for All Week, P.S. 130 welcomed Music for Many, wore rainbow colors, participated in sharing compliments to their classmates, celebrated our diverse cultures and their friendships.**

# BOOK OF THE MONTH

February's Book of the Month was *Red: A Crayon's Story*, by Michael Hall. Red thought he was a red crayon because that's what his label said but as hard as he tried, he simply could not draw red things. The book raised questions about self-discovery and personal growth.

## MIND UP NEWS

To conclude Respect For All Week, on No One Eats Alone Day, students utilized MindUp conversation cards to engage in positive conversations with each other! The Peer Mediation Team walked around to help facilitate meaningful interactions between students. It was a phenomenal week and so many beautiful memories were made!!!
